

Day Treatment Team Coordinator:

Licensed Independent Social Worker (LISW) / Licensed Professional Clinical Counselor (LPCC)

The Day Treatment Team Coordinator supervises all clinical members on the team, oversees their provision of clinical services, and engages in direct-care activities for clients of the program. The Day Treatment Team Coordinator reports directly to the Vice President of Outpatient Clinical Services, supervises all multidisciplinary Team Members, and functions in a peer relationship with other Team Coordinators. The successful candidate may request, or be requested to share information with other staff that is unique to their training and expertise, and will respond to requests for assistance from peers and other staff. The Day Treatment Team Coordinator will possess a blend of strong clinical and communication skills, in addition to a working knowledge and expertise of Evidence Based Practices, crisis management, organization, and time management abilities, and supervisory knowledge. In addition, The Day Treatment Team Coordinator will coordinate their activities with other clinical staff, other agencies, participate on interdisciplinary teams, with case managers, families, guardians, advocates, and other referral and helping agencies.

With nearly 50 years of experience providing innovative, evidence-based, quality mental health and co-occurring treatment services to the greater Summit County communities, we are connected, with partnerships that span across the healthcare and social services communities, while engaging in integrated care opportunities. Portage Path consistently keeps an eye on the market while identifying, developing, and implementing innovative initiatives that assist in providing clinical growth opportunities, expansion, and enhancement of our full array of services. Now offering tele-health options, Portage Path is committed to fostering the growth and wellness of all who seek and provide our help.

Candidates must have at minimum a Master's Degree in Clinical Social Work, or Counseling, and be independently licensed by the State of Ohio to diagnose and treat mental health and co-occurring substance use disorders. In addition, the candidate will have at least 3 years independent licensure and clinical experience. Supervisory Licensure Designation and dual licensure in both mental health and substance use disorders (LCDC, LICDC) is preferred.

Portage Path Behavioral Health offers a vibrant clinical environment with excellent salary & benefits packages. Bi-lingual applicants fluent in both Spanish & English are encouraged to apply.
