

## **Day Treatment Program Therapist**

Portage Path Behavioral Health is seeking Licensed Independent Social Workers, and Licensed Professional Clinical Counselors to provide group psychotherapy to adults in our Day Treatment program. Successful candidates will possess strong clinical and communication skills, working knowledge and expertise in Evidence Based Practices, effective caseload management and documentation skills, an ability to facilitate group therapy, and a desire to engage in agency initiatives.

Responsibilities will include conducting individual assessment for program, treatment planning for program participants, running daily groups, working as part of the Pathways team, and individual interventions as needed.

Applicants must have a master's or doctoral degree with a clinical focus in counseling or social work, and must have experience in a behavioral health setting. Consideration will be given to LPC/LSW. Candidates must be licensed by the State of Ohio, possess strong clinical skills, be able to work within our multi-disciplinary teams, and have strong and timely documentation skills.

The ideal candidate will have experience and certification in substance abuse treatment and group work but it is not required. Training and experience in Motivational Interviewing and Cognitive Behavioral Therapy is preferred. Portage Path offers a vibrant clinical environment focused on providing high quality therapeutic care. We offer competitive salaries, a strong benefits package and also have an incentive program and educational opportunities for clinicians. Applicants fluent in both Spanish and English are encouraged to apply. If this opportunity is what you are looking for in your next career move, please e-mail, fax, or mail your resume to:
