

Clinical Leader / Project Director

Portage Path Behavioral Health has an exciting opportunity to oversee development of a diverse set of new programs and initiatives at Portage Path Behavioral Health, a leader in community mental health and addiction services in Akron Ohio. This role will oversee implementation of the “Here for You” project, which is intended to bring mental health and addiction services to more low and moderate income people in Akron and Summit County.

The Project Director Job Responsibilities will include:

- Creating and leading a new team of external-facing professional counselors and case managers who will be co-located in facilities around Summit County.
- Collaborating with other teams to create a living room model drop in crisis center.
- Monitoring ongoing cycle of training and wellness programs for staff teams, to integrate with quality improvement staff for increased mission impact.
- Working with community education staff to ensure the populations we serve are aware of the services available and how to access them.
- The position is grant funded initially for two years.
- The successful candidate will have the opportunity to transition to other new projects as well as carrying a clinical workload as the “Here for You” project becomes solidly established and a track record of success is created.

The Project Director Job Qualifications will include:

- Master’s Degree, in Social Work or Counseling.
- LISW or LPCC in the State of Ohio.
- A minimum of 2 years of clinical experience.
- Successful candidate will have experience managing programs and staff.

The Project Director Benefits will include:

- Competitive Wage commensurate with experience.
- Generous paid time off
- Excellent Major Medical, Dental, and Vision programs.
- A variety of supplemental insurance products.
- Top rated Retirement program
- Company paid Short Term Disability, Long Term Disability & Life Insurance
- Flexible Spending Account
- Employee Assistance Program
